Hello again – A Wedding a Day

Director: Maggie Peren
Germany (2020) 89 min. Romantic Comedy

Cast: Alicia von Rittberg, Edin Hasanovic, Emilia Schüle
Language: German with English subtitles

Zazie is in her mid-twenties and has inherited a pronounced inability to maintain relationships from her parents. She shares a wonderful flat with two equally commitment-phobic men – friendship is great, but who needs love with a capital L? Her oldest friend Philipp, apparently, because he wants to get married to the wrong woman. Zazie just can't let that happen! She ends up arriving too late for the wedding ceremony, but ruins the party afterwards by getting fall-down drunk from too much pink champagne. After Zazie sleeps off her hangover, she comes to realise that while she has not entered another universe, she has fallen into a time loop, which means that she can try to prevent the wedding again... and again. Using a quick tempo and likeable characters, director Maggie Peren plays with the familiar themes of the rom-com genre and hits the nail on the head when it comes to the romantic attitudes of her protagonist's generation.
